Topics:

- 1. This house believes that uniforms should be worn in public schools.
- 2. This house believes that the Presidential line-item veto should be abolished.
- 3. This house believes that what one believes today is not what one will believe tomorrow.
- 4. This house believes that being occasionally cheated is better than being perpetually suspicious.
- 5. This house believes that a liberal arts education is a superior preparation for a vocation.
- 6. This house believes that our mission is not the triumph of truth, but only to fight for it.
- semi. This house believes the Chinese proverb "Outside noisy, inside empty."
- final. This house believes that Democracy gives everyone the right to be their

own oppressor.
